

GEORGIA LONG TERM CARE INFECTIOUS DISEASE EDUCATIONAL PROGRAM

COURSE REGISTRATION NOW OPEN!

REGISTER NOW

A **free, one day, 6-hour** course designed to improve the health and safety of CMS certified long term care facility residents and staff members alike.

Our mission is to provide CMS certified long term care facilities with critical knowledge, skills, and abilities related to infectious disease precautions, prevention, protection, and disinfection. Anyone from a **certified** LTC facility is encouraged to attend, including:

- Administrators
- Infection Preventionists
- Directors of Nursing
- Clinical Providers
- Non-Clinical Staff

Registration for the final year of the program is now open, with courses starting in Fall 2023. Visit idm.publichealth.uga.edu/galtcidep to find out when we're coming to your region. Year 3 features seven offerings each of the ID Foundations Course and the ID Principles Course, with one of each course offered per healthcare coalition. *NOTE: Completion of the Foundations Course is NOT required before taking the Principles Course.*

Attendees receive valuable educational resources at no cost, including biannual e-newsletters, online resource portals, comprehensive informational handouts (pictured left), and educational videos for conducting facility level training in infectious disease.
