

GRAD CERT, DISASTER MANAGEMENT ELECTIVE OPTIONS

Disaster Management Certificate students are required to take 3 hours of elective coursework and may choose 1 (one) course from the list below. Note that not all courses will be offered each semester and inclusion upon this list does not indicate that a course will be offered in the future. Prior approval by the host department may be required to enroll in some courses. (NOTE: Only one DMAN independent study course will count towards the certificate.)

- DMAN 7400 – Public Health Crises and Disaster Management (only if not taken as a core class)
